Our boys' basketball team season has come to an end. All members of the team scored during the course of the season. The team was made up of 5th-8th graders which gave the older team members opportunity to help younger team members in improving skills and strategy. They played hard at every game and had several close games that were especially fun for the team. Their final game at the tournament last weekend was for consolation champs. Congrats on a season that gave fans plenty of memorable moments. Thank you Coach Mark Stueven for all your time and energy devoted to our boys this year!

Preschoolers and kindergarteners had great fun with the 100 balloons as part of the 100th day of school celebration.

Students in first and second grade put 101 spots on Dalmatian puppy pictures. Carly, Wyatt, and Allison went the extra mile and dressed like Dalmatian puppies to celebrate the 101st day of school.
