Equipping and Empowering Families and Students through Christ

Halloween reminder: any type of costumes, dressing up, coloring of hair or other things that coincide with Halloween are not permitted at St. James Lutheran School during the school day. Thank you to all parents and students for your cooperation.

The early arrival of snow is reminding us to have our winter gear ready. Recesses are usually outside, so be sure your child(ren) is/are prepared with boots, snow pants, mittens, hats, and scarves.

If school is called off due to weather conditions you will be notified through School Messenger. We follow HLWW's decision on school closures since our students use their busses. You can also learn of school closures on WCCO TV or radio by listening for Howard Lake Waverly Winsted. (If you see or hear St. James listed on TV, that is the town of St. James, MN, not our school.)

PTL MEETING The next PTL meeting will be held on Monday November 2 at 6:30 p.m. in the library. Come with your ideas and suggestions or just to learn more about ways you can help our school.

Yard Games in the Gym

The PTL is planning this event for the 5th-8th graders on Nov. 4 from 6:30-7:30. More details will be coming, but save that date on your calendar for FUN!

PTL will be hosting a book fair and craft night again this year the second week of November. Times and date are still being finalized, so watch future newsletters for details.

Members in the beginning band group have started group and individual practices with Mrs. Loder. Part of being a beginner is learning how to put your instrument together so that practice can start. It's great to see their enthusiasm and the growth in our band program.
